

Convenience Comes to Non-Sterile Syringes!

NEW!
Dispenser Cartons

Bulk-Packed Dispenser Cartons are More Economical and Easier on the Environment

- Convenient dispenser cartons
- Reduced waste - no individual wraps to dispose of
- Require less storage space in stockrooms and labs

Easy drawing plungers with safety stops to prevent spills.

Polypropylene Syringes, Non-Sterile

These all polypropylene syringes are latex-free and contain no rubber or silicone. The plastic plunger has a smooth draw and a positive safety stop to prevent accidental spills. Bulk-packed in dispenser cartons.
